

STARK ENGINEERING PTY LTD CATTLE CRUSHES

RANCHER COMPACT

The Compact Model is the crush for the cattle farmer that only handles a small number of animals and does not require veterinary facilities. This model still offers the Warwick system and is of robust construction yet at a very affordable price. This is an ideal crush for the hobby farmer.

- One sided squeeze
- Balk gate
- Split gates on both sides
- One sided back up Ratchet bar
- No vet facilities

RANCHER

The Rancher Model caters for the small block farmer that requires basic handling. This crush is more basic in design but offers a quality product at an affordable price.

Weights approximately 410kg

- One sided squeeze
- Balk gate
- Split gates on both sides
- Full walk through veterinary area and headbail
- One sided back up Ratchet bar
- Vet facilities
- *Compact model also available*

UTILITY

The Utility model has similar features to the top of the range models but in a more basic configuration. Full walk through veterinary area and split gates on both sides. This unit features the Warwick symbol of quality yet at a very reasonable price.

Weights approximately 550kg

DROVER

The Drover Model is a stream-lined version of the Exotic. It caters for the cattle man that has a more basic operation but still has significant numbers of cattle that require positive handling.

Weights approximately 820kg

- Two sided parallel squeeze
- Award Winning Rubber Lined, Spring Loaded (one side) Headbail
- Fullwalk through veterinary area and headbail
- Bulk gate
- Fully sheeted rear door
- Split gates on both sides
- Floor
- *Compact model is also available*

EXOTIC

The Exotic Heavy Duty model caters for the top of the range buyer that expects their cattle handled by a crush that is second to none. This model has a lever operated parallel squeeze that can easily move a large animal to the centre of the crush with minimum effort. The animal operator is safely protected by a ratchet and pawl system that prevents the lever from moving. The Exotic Heavy Duty model caters for long and larger cattle.

Weights approximately 1060kg

- Two sided parallel squeeze
- Award Winning Rubber Lined, Spring Loaded (one side) Headbail
- Full walk through veterinary area and headbail
- Bulk gate
- Fully sheeted rear door
- Split gates on both sides, drop gates on one side (optional)
- Floor
- Heavy duty pipe construction

WARWICK HYDRAULIC EXOTIC HEAVY DUTY CRUSH
